- Q2 Accompanying two-page printed message, first page beginning " "- Wanted By ..."
- Q3 Second page of accompanying message beginning "10) George Wallace.."

Result of examination:

Q1 through Q3 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned writing on Q1 through Q3 was prepared by any of the writers of the unidentified questioned writing, known writing or purported known writing on items previously submitted in case captioned "HEARNAP" or case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM", due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, nothing of significance was observed in this comparison.

Q2 and Q3 each bear a watermark reading "ATLANTIC MIMCO BOND". This watermark is registered to the Eastern Fine Paper Company, Incorporated, Division of Eddy Paper Company, Limited, P.O. Box 129, Brewer, Maine. Q1 contains no watermark. Q1 through Q3 contain no indented writing of significance or other characteristics to aid in definitely determining their source. A ten cent U.S. Postal Service stamp, torn from a coil of stamps, is affixed to Q1.

Q1 through Q3, which have been photographed, are being returned separately.

RE: UNSUBS (3); THREATS TO SHOOT SECRETARY OF STATE
HENRY A. KISSINGER

NOTE: Complainant, a [redacted] alleges that on 4/27/75, he was hitchhiking and was picked up in northern Virginia by three unknown males of Middle East extraction who claimed to be Palestinian guerillas. They claimed to have machine guns and claimed they were going to shoot Kissinger, Schlesinger, and Senator Baker. Complainant thought he saw a machine gun on rear floor of car. He could not describe the car and said he was afraid to look at the license plate. Alexandria opened as a Threat Against the President case and designated WFO as office of origin. Investigation is being conducted in Alexandria and WFO Divisions to develop additional information. This communication designates Alexandria as office of origin, changes character to CAS, sets out two leads (one of which is for the purpose of exploring complainant's mental state) and directs that investigation be expedited.

UNKNOWN SUBJECTS (3);
Threat to Shoot
Secretary of State
Henry A. Kissinger,
Secretary of Defense
James R. Schlesinger and
Senator Howard H. Baker, Jr.

On April 29, 1975, [redacted]

[redacted] Virginia, furnished the following information to a Special Agent of the Federal Bureau of Investigation:

On Sunday afternoon, April 27, 1975, he went to Washington, D.C., with his wife and two daughters and another friend from Maryland. They were sightseeing in the area of the White House and the Washington Monument. There were a lot of people at those two locations on that afternoon and during the afternoon at about 4:30 p.m., he became separated from his family. He remained in that area until approximately 7:00 p.m. trying to locate his family and at a little after 7:00 p.m. he decided to hitchhike to his residence in [redacted] Virginia. He walked from the Washington Monument to the Memorial Bridge and walked across the bridge to the Virginia side of the Potomac River. At that location on Route 50, he was hitchhiking and he was picked up by three unknown men. He got into the back seat of this car, but he was unable to recall anything about the automobile. He explained that he is not very familiar with American automobiles and that for this reason, he could not furnish any information at all about the car.

UNKNOWN SUBJECTS (3); Threat to Shoot
Secretary of State Henry A. Kissinger
Secretary of Defense James R. Schlesinger and
Senator Howard H. Baker, Jr.

As soon as he got into the car, he noticed that these three young men were of dark complexion and were probably of Middle East extraction. He added that he has seen many people of Middle East extraction in the past and that based on this experience, he was able to deduce that they were possibly of extraction of a Middle East country. There were two men in the front seat of this car and one man in the back seat. The driver of the car was very talkative during the time he was in the car. The passenger in the front seat of the car made only one statement during this time and was very quiet. The passenger in the back seat of the car was more talkative and carried on some conversation with Mr. [REDACTED]. The driver asked him where he was going and he said that he was going to Falls Church, Virginia. They noticed that he spoke with a foreign accent and asked him where he was from. He told them that he was from Yugoslavia. When he told them he was from Yugoslavia, all three said, "Viva Marshal Tito." They also remarked, "Zivio Tito," which he explained meant "Viva Tito" in the German language. He said that one of them spoke German to him on one occasion, but he added that all three of these individuals spoke perfect English with no accent.

After picking him up, the car was driven on Route 50 (Arlington Boulevard) to an unknown exit. He recalled that there were two signs at the exit, one pointing to Falls Church, Virginia, and one pointing to Alexandria. He was let out of the car there and the car then proceeded to Alexandria, Virginia.

When he told them that he was from Yugoslavia and after they said, "Viva Tito," he told them that there were a lot of people in Yugoslavia who did not like Marshal Tito, and the man in the back seat remarked that he liked Marshal Tito very much. They said that Tito was very popular in Palestine. They then all three commented to him that they were Palestinian Guerrillas. The driver who was the most talkative, said that they were here to "screw up the Americans." The driver then remarked that they were going to "shoot Kissinger, Schlesinger and Senator Baker."

UNKNOWN SUBJECTS (3); Threat to Shoot
Secretary of State Henry A. Kissinger
Secretary of Defense James R. Schlesinger and
Senator Howard H. Baker, Jr.

The driver and the rear seat passenger then said that they had machine guns. The back seat passenger remarked that they had "mashinguer." He said this was a German word for machine guns.

The rear seat passenger then pointed to the floor of the car in front of him and said that there was a machine gun there. [] glanced at the floor and saw what he thought was a hand-held machine gun.

The rear seat passenger then asked him if he could speak German. [] replied in the affirmative and the passenger beside him said that they were traveling on German passports and showed him what appeared to be a passport and said that it was a German passport.

None of these individuals made any comments as to when the shooting of these officials was planned for or how they were to be executed and they did not furnish any additional details.

[] said that when he got out of the car, he was afraid to look at the license plate of the car.

[] described these three individuals as follows:

Unknown Subject Number 1 (driver of the car)

Sex:	Male
Race:	White
Age:	23-25
Hair:	Dark
Complexion:	Dark
Height:	6'
Build:	Slender
Nationality:	Claimed to be Palestinian

UNKNOWN SUBJECTS (3); Threat to Shoot
Secretary of State Henry A. Kissinger
Secretary of Defense James R. Schlesinger and
Senator Howard H. Baker, Jr.

Unknown Subject Number 2 (passenger in front seat)

Sex:	Male
Race:	White
Age:	About 25
Height:	5'6"
Build:	Medium
Hair:	Dark
Complexion:	Dark
Characteristics:	Very quiet
Nationality:	Claimed to be Palestinian

Unknown Subject Number 3 (passenger in rear seat)

Sex:	Male
Race:	White
Age:	24-27
Height:	5'9"
Build:	Slender
Hair:	Dark
Complexion:	Dark, pimples on cheeks
Nationality:	Claimed to be Palestinian

[] was unable to describe the clothing of any of these individuals. He said that they did not appear strong to him like he would expect guerrillas to be and thought that maybe they wanted to be heroes for the Palestinian cause.

[] said that when he arrived home, his wife and children were already there, but that he did not mention any of the above information to his wife and had not mentioned it to her until the time of this interview on April 29, 1975. He offered no explanation for this failure to discuss this matter with his wife.

Re: UNSUB; THREATENING LETTER RECEIVED BY

COMMITTEE, WASHINGTON; SENATOR MIKE
MANSFIELD; SENATOR EDWARD KENNEDY;
SECRETARY OF STATE HENRY KISSINGER - VICTIMS;
EXTORTION

Lab. No. D-740402007 MS

Specimens received

4/1/74

- Q1 Envelope postmarked "WARRINGTON, PA MAR 25 PM 1974 18976," bearing hand printed address "George Bush Chairman Republican National Committee 310 1st st. Washington D. C."
- Q2 Accompanying one-page hand printed letter beginning "Copy to my Rep..."

Result of examination:

Q1 and Q2 were compared with specimens in the Anonymous Letter File, but no identification was effected. Representative photographs will be added to the file for future reference.

Examination of the Q2 sheet of paper revealed the watermark "Flatway Onionskin Made in USA." That watermark is registered to the Millers Falls Paper Company, Millers Falls, Massachusetts.

Examination of Q1 and Q2 failed to reveal any additional watermarks, indented writings of significance, or other significant features which would assist in determining the immediate source of those items.

Q1 and Q2 were photographed and will be returned separately.

Specimens received 1/28/75

Q20 Envelope postmarked "U.S. POSTAL SERVICE PA
194 JAN 6 PM 1975," bearing hand printed
address "Kissinger State Department
Washington D C"

Q21 Sheet of paper bearing handwritten and hand
printed message beginning "Copy to the Arabs..."

Result of examination:

It was determined that the Q21 sheet of paper
bears a partial watermark which is possibly "Fleetway
Onion Skin Made In USA." This watermark is registered
to the Millers Falls Paper Company, Millers Falls,
Massachusetts.

Examinations of the Q20 envelope and Q21 sheet
of paper failed to reveal any additional watermarks,
indented writings of significance or other significant
features which would assist in determining the immediate
source of those items.

It was determined that the hand printing on Q20
and Q21 was prepared by the writer of the hand printing
on Qc1 through Q19, previously received in this matter.
Those writings have not been identified with the writings
of any known individual.

Q20 and Q21 were photographed and are retained.

Re: UNSUB; Threatening Letter

Specimens received 8/5/76

- Q28 Envelope postmarked "WARRINGTON, PA. 18976 JULY 16
1976 PM" bearing hand printed address "Kissinger
State Department Washington, DC"
- Q29 Accompanying hand printed letter beginning "Kissinger
if you publicly..."

Result of examination:

As a result of comparisons with specimens in the Anonymous Letter File, Q28 and Q29 were associated with specimens Q1 through Q27, additional handprinted envelopes and letters which were previously submitted to the Laboratory under various case titles. It was determined that the questioned writings on Q28 and Q29 were prepared by the writer of Q1 through Q27.

The questioned writings on Q1 through Q29 have not been identified with the writings of any known individual.

The examinations of Q28 and Q29 failed to reveal any watermarks, indented writings of significance or other significant features which might be of assistance in determining the immediate source of those items.

Q28 and Q29 were photographed and will be returned separately.

Dear Mr. Kissinger

6/4/77
6/1/77

I go to school in Y.U. (I'm sure you know where that is, unless you've even forgotten where you live when you were a Jew). It's very hard to figure out what to say in a situation like this 'cause there is nothing to say. I could ask you to remember your heritage, try to be a Jew a little instead of worrying about your glory. I could ask you to use your influence to stop this idiotic condemnation of Israel instead of sitting around & watching your supposed brothers die. But I wouldn't because I know what results it brings. I will just end this letter with something I read from a diary written ~~in~~ during the Maalot massacre, "Every thing seems so quiet. I ~~feel~~ believe the time has come & we will be set free soon." Directly under that was a big blotch of blood. This letter has no sense in it & therefore I might as well add one fact. If I ever get a ~~ab~~ gun in my hands & an arab in front of me, I'll shoot him. And if I ~~so~~ ever see you I'd do the same.

I'll

SAY hello to your D. A N T E W

NY 100-177311

The January 7, 1973, issue of the "Staten Island Advance", a daily newspaper at Staten Island, New York, carried an article entitled "Artist-Politician Conducting A Private War". The subject was described as the self-proclaimed President of the Belgium Government in exile in 1969. "When he dissolved the government, and his position in 1970, he called for the formation of smaller autonomous, underground groups to wage subversive activities against the country". He formed the De Rode Brigade (Flemish for the Red Brigade) on Staten Island as one of the smaller groups.

The captioned subject is also the subject of the investigation entitled "JEAN TOCHE, aka Jean Touche Van Imschoot, Jean Touche; Metropolitan Museum of Art and Museum of Modern Art, New York, New York - VICTIMS, EXTORTION; POSSIBLE KIDNAPPING", NYfile 7-1988.

That investigation was predicated upon the receipt of the subject's letters in March, 1974, by the Museum officials threatening to kidnap their employees and benefactors. The subject was arrested by Bureau Agents on 3/27/74, upon the filing of a complaint in the Southern District of New York charging him with the violation of Title 18, US Code, Section 876. Psychiatric tests were under consideration by the US Attorney's Office at the time, but were not carried out. He was represented by a firm associated with WILLIAM KUNSTLER, the radical attorney. All charges were dismissed against the subject on 6/11/75.

NYO files also disclose that the subject has requested a review of Bureau Headquarter's files under the Freedom of Information Act-Privacy Acts. He has alleged delaying tactics on the Bureau's part in letters to [redacted] TV commentator, and to US Senator JACOB K. JAVITS, in January and February, 1976, respectively.

b6 -3
b7C -3

NY 100-177311

The NYO is currently in receipt of copies of a letter dated 5/11/76, from the SAC, Kansas City to the Director; and of a letter dated 5/13/76, from SAC, Houston to the Director, both captioned "JEAN TOCHE, 730 BAY STREET, STATEN ISLAND, NY, 10304, INFORMATION CONCERNING".

These letters were attached to identical typewritten copies of a letter dated 5/5/76, from the subject, which had been addressed to the President of the United States. The subject in his letter alleged that the FBI, under the direction of CLARENCE M. KELLEY, has blatantly violated federal statutes. The letter carries the notation at the bottom, "cc: The Ambassador, the USSR Embassy, Washington, D.C."

Reference was made above to WFOairtel to the Director dated 5/13/76, captioned "UNSUB; aka Jean Toche, Threatening Letter Postmarked, NY, March 25, 1976, to Dr. Henry Kissinger, Secretary of State - VICTIM, EXTORTION".

This communication was attached to a xerox copy of an envelope postmarked 3/25/76, addressed to "Dr. Henry A. Kissinger, Secretary of State, Department of State, 2201 C Street N.W., Washington, D.C., 20520", which enclosed an open letter appearing over the signature and name of JEAN TOCHE, "for the Belgian Government in Exile, 730 Bay St., Staten Island, New York, 10304". Alongside the signature appears a seal facsimile reading, "Republic of the Federal Socialist States of Belgium - For the Government - RFSSB - the President of the Republic".

The open letter in its entirety stated the following:

"We mean it - We will no longer tolerate adventurism - Contingency plans have been drawn and will be

NY 100-177311

executed - We extend our solidarity to the Cuban Government - We re-assert the supreme right of oppressed people at home and abroad to fight wars of liberation against the racist sexist superpowers which are bossing everybody around with their MIRV warheads ~~and~~ power - assassination plots bloodstink money".

The NYO has noted that the open letter was not directed to any individual, and contains general terminology that has been typical of individuals in the radical movement over the past several years. The letter is especially typical of the subject in his writings, and is non-specific compared to the threats made to museum officials in New York City, which were culminated in a dismissal of the charges.

It is to be noted that NY FD-376 dated 4/27/73 provided US Secret Service with copies of the subject's photograph and the LHM dated 4/27/73, which sets forth his background and activities, including his self-proclaimed Presidency of the Belgium Government in Exile, and his arrest for desecration of the American flag in a protest demonstration in New York City in 1970. WFO noted in its airtel of 5/13/76, that the subject was known to that agency with file number [redacted] No investigation was being conducted by Secret Service.

b3 -5
b7E -1

// In view of the above, no further investigation is anticipated by the NYO relative to the subject's letter to the Secretary of State. That investigation is being placed in a closed status, UACB.

The investigation in regard to the subject's contact with the Soviet Embassy has been placed in a closed status inasmuch as he does not appear to present a security risk and/or source potential.

REQUEST OF THE BUREAU

The Laboratory Division is requested to discontinue its review of the subject's letter to the Secretary of State.

"The principles of integrity that have been the FBI's hallmark
throughout its existence remain solidly intact".

This idiotic fallacy by the FBI Director, Clarence Kelley -- a petty thief
caught himself with his fingers in the pot, or shall we say drapery valances
et al -- is typical of the perversity of the present Ford administration.

10:01 A M KELLEY,
THE DARLING DIRECTOR OF THE FBI
FEDERAL BUREAU OF INVESTIGATION
WASHINGTON D.C. 20535

April 26, 1977

Bell nixes Kelley plea on probe

WASHINGTON (AP) — Attorney General Griffin Bell last night turned down a personal plea from FBI Director Clarence Kelley that he stop the prosecution of a former New York FBI agent charged with illegal mail openings and wiretapping.

Bell said he had to ignore FBI claims of shattered morale because the issue is a matter of principle.

"What is at stake is the rule of law," Bell said after listening for 90 minutes as Kelley and 10 agents complained that bureau morale has suffered because of the charges and the continuing Justice Department investigation.

MORE PROBED

Bell said he has given no thought to dismissing the indictment against former FBI supervisor John J. Kearney, charged with directing an illegal mail-opening and wiretapping operation in the New York field office from August 1970 through June 1972.

The tactics were used to spy on New Yorkers thought to be in contact with Weather Underground fugitives charged with terrorist acts.

Bell promised to pursue the investigation of other FBI operations, including burglaries and charges expected against other bureau men.

"If you break the law, ordinarily you suffer the consequences," Bell said. "Even though it happened at a time when the country was very different than it is now, if the law was broken the attorney general ought to take note of it."

He said he was not suggesting that Kearney was guilty, only that the evidence warranted the indictment.

Kearney has pleaded innocent.

Kelley on April 14 publicly complained about sagging morale in the bureau and called on the attorney general to reconsider his action.

At Kelley's request, the attorney general met with the 10 agents from as many cities who had been chosen in secret ballots to represent their colleagues. The rules of the election required that five have more than 10 years of service and five have less.

"They're very upset over the indictment of John Kearney. They expressed their dismay," Bell reported. "It has had what they consider to be a very bad effect on the morale of the bureau in their areas and in other parts of the country."

But he said the law makes no provision for balancing morale against evidence of criminal conduct.

DEAR CLARENCE:

IF YOUR TURN COMES TO BE INDICTED
(AND IT LOOKS LIKE IT WON'T BE LONG NOW),
I WILL BE MOST HAPPY
TO JOIN THE GOVERNMENT'S PROSECUTION
WITH AN AMICUS CURIAE BRIEF,
AS EXECUTIVE DIRECTOR
OF THE AD HOC ARTISTS' MOVEMENT FOR FREEDOM.

TRULY A FAN OF YOURS,

Jeane Toche

HAMPDEN V. FITCHER, JR., 1032 Swann Street, Parkersburg, W. Va., telephone 428-4469, furnished the following information:

At about 11:05 PM on Wednesday, June 18, 1975, he received a telephone call at his Parkersburg residence from his brother, Staff Sergeant ROBERT LEE FITCHER, from the latter's residence at Nitro, W. Va. BOB told HAMPDEN to bring his wife and come to BOB's residence to install an air conditioning unit. HAMPDEN told him he would have to advise him later if he could do so, and the following day BOB's wife, [redacted] telephoned HAMPDEN's wife, [redacted] to ask if they were coming. On Friday, June 20, 1975, he, his wife and two of their children traveled to BOB's residence, although BOB had stated only he and his wife should make the trip. They arrived at the trailer court in which BOB resides at about 7:15 PM on June 20, 1975, and observed BOB standing near the end of the trailer park, still in his U. S. Army uniform, and talking with an elderly man.

b6 -3
b7C -3

BOB's [redacted] was not at the residence at that time and she was attending an auction with her father. About 15 minutes later BOB came to the trailer and immediately stated that someone had stolen the wire for his air conditioning unit. HAMPDEN knew this was not true as BOB had never purchased it as HAMPDEN had instructed.

b6 -3
b7C -3

HAMPDEN began work on installation of the air conditioner during which time BOB began talking to [redacted] BOB told [redacted] that HENRY KISSINGER is the "anti-Christ." BOB told [redacted] that he had been spoken to by Jesus Christ, who used BOB's Vietnamese name of "Robierre Cocca" (phonetic), and that Jesus Christ had instructed BOB to do away with KISSINGER in mid-November. BOB gave no other details as to how this was to take place although he did tell [redacted] that he could always get away with it because of things that had happened to him in the past.

b6 -3
b7C -3

BOB's [redacted] returned home at about 10:20 PM and at 11:00 PM all of them watched the late news. During the news, the name of HENRY KISSINGER was mentioned, and BOB began

mumbling things. HAMPDEN did hear BOB stated that "we are going to get you," addressing himself to the televised picture of HENRY KISSINGER.

Later, while both women were talking together in another room of the trailer house, BOB thought they were talking about him. BOB went into his bedroom and began making some sort of noise with his rifle. Shortly thereafter, he got angry at [] and she went outside, got in their car, and drove off, with BOB pounding on the car and hanging on to the door until he was thrown away from the car. When HAMPDEN told him to calm down, BOB struck HAMPDEN in the head and went into his trailer, presumably to get his rifle, HAMPDEN and his family drove off in their own car from the trailer at a high rate of speed at which time they heard a crack of a rifle shot. They drove from Nitro to the West Virginia State Police (WVSP) office at Winfield, W. Va., where they notified officers of what had taken place, and were instructed to obtain a warrant from a local justice of the peace. [] signed this warrant and it was executed by the State Police troopers, who arrested BOB and placed him in the Putnam County Jail. On Saturday afternoon, June 21, 1975, BOB was taken from that facility by the U. S. Army to a military hospital, where he remains.

b6 -3
b7C -3

HAMPDEN advised that BOB has been suffering from a mental illness, which had continually worsened, particularly after his service in Vietnam. He advised that in view of his brother's mental state, it would not be impossible for him to take some type of aggressive action against HENRY KISSINGER, or any other person, if the right opportunity arose.

He advised the above is the extent of the threats that he heard his brother make toward HENRY KISSINGER.

[redacted] Parkersburg, W. Va., advised she accompanied her [redacted] to the home of her [redacted] Staff Sergeant ROBERT LEE FITCHER, on June 20, 1975. While they were at BOB's trailer residence, her husband began installation of an air conditioning unit for BOB, during which time BOB engaged her in conversation. During that conversation, BOB pointed out to her that HENRY KISSINGER is the "anti-Christ," and that he was going to take care of him next November. Later that evening, when the photograph of HENRY KISSINGER was televised over the set in BOB's trailer, she observed and heard BOB address the televised picture with the statement "we are going to get you."

She advised this is the extent of the threat she heard her brother-in-law make against HENRY KISSINGER.

She advised her [redacted] has suffered a continually worsening state of mental illness over the last ten years, and that some of his ideas apparently have risen from his association with other religions while in Vietnam. She pointed out that BOB married a Vietnamese girl in Vietnam, but the girl did not accompany him to the United States, although she apparently later married a U. S.
